D T P ,Internet&Photostat facilities are available there. They started this 5 years back under SJSRY scheme with the help of bank loan.After two years they got revolving fund of 35000,then they started an E Seva centre at RT office Pathanamthitta

4 . ASRYA BENEFICIARY VISIT (02/08/2017)

I visitedan Asraya beneficiary in ward number 12 in Pathanamthitta municipality. Her name is Vilasini aged at 53.she is a widow and no one for her help. She had only one son aged 16,and he was in Gandhi bhavan.

In asraya programme, her family got food and medical expenses

She had only a small house in her 3 cent area , which had she got financial support from government.

She is suffering from diseases such as fits .she don't have any drinking water facility.

I think this asraya project is very helpful for such person who don't have any other way for livelihood.

5. JOINT LIABILITY GROUP VISIT ON 02/08/2017

I visited a joint liability group in ward 11.its name is Navajyothi.it was located in ThazheVettipuram, Thycavu in Pathanamthitta Municipality.Itis a five member group.They took 50cents of land for lease for this . They started this in 2013, with the support of loan from bank.

They cultivate ginger,tapioca,plantain, etc

I think this was a great job for them

Their main difficulty to do this is water scarcity .they have to collect water from the nearby hilly area.It is very helpful if they have a bore well in this land.
