

Workshop on Sagarmala

सत्यमेव जयते

Kerala

Unique Skill Needs of Coastal States

- Marine Fitter & Rigger (SMC/Q3401)
- Fishing Boat Mechanic (AGR/Q5103)
- Fish and sea food processing technician (AGR/4001)
- Technician installation and commissioning (fire & safety system) – SMC/Q7601
- Repair Welder (ASC/Q1902)
- Excavator Operator (IES/Q01013)

- Protective and marine painter (PCS/Q5109)
- Warehouse supervisor (LSC/Q2307)
- Fishing boat maintenance worker (AGR/Q5102)
- F&B Service (THC/Q0301)
- Fishnet making

Challenges of State Govt.

- Lack of professional Training Agencies in port and maritime sector
- Inadequate number of institutions in maritime sector to place the candidates
- Inadequate access to infrastructure for training purpose
- Improper liaison between SRLM and port & maritime authorities.
- Inadequate certified trainers in maritime sector
- Less target allocation to the State
- Exclusion of Trivandrum District, where Vizhinjam port is located.

MoS or MoRD Intervention

- Liaison between SRLMs and port & maritime authorities.
- Enhancing the skills of Project Implementing Team/Trainers/....
- Ensure the consultancy of world class Consultants in port and maritime sector.
- Exposure visit to world class port and maritime institutes.
- Involvement of key players of maritime sector within and outside the nation.

Involvement of Employers in Skill Programmes

- Little involvement of Employers in Maritime Skill Programmes.
- Plan to involve the employers through Employers Meet.
- Plan to address the CEOs from different Employers in their meeting.

Best Practices of State

- Social Audit for grading of PIA
- Enterprise Resource Planning System
- Geo spatial Information System
- Qualitative Appraisal of New Proposals by SRLM
- New benchmark – Project sanctioning to fund release cycle
- Special Project for PwDs & Special focus destitute Households and Orphans.
- Motivational Training for candidates
- Skill Caravan as part of IEC

Steps to be taken for supplying skilled manpower

- Selection of trades based on the demand of employers
- Involving industry players in designing and preparing course modules
- Employer access to Job portal maintained by SRLM
