**REPORT**

1. A Neighbourhood Groups (NHG) Meeting ( oru Ayalkootta Yogam)

The NHG meeting of 26<sup>th</sup> ward, Perumbavoor Municipality conducted on 04/08/2017 Friday. The meeting started at 4 pm in Sara Makkar's home, one of the members of Al-Ameen group. This group has 18 group members. In this, 16 members attend the meeting whereas; the other 2 people didn't attend because of the personal reasons. Chairperson of NHG, Ms. Subaitha was also present meeting. Meeting start with prayer. Afterwards, welcome speech delivered by a group member. The secretary read the meeting report of last week. In meeting not only discussed about the linkage loan of Neighbourhood Group but also the cluster meeting that was conducted in August 1<sup>st</sup>. The weekly account presented by the secretary. It also planned that next meeting will be conducted in the house of Ms. Salma Aliyar, member of the same group. The meeting was finished at 5.30pm.

2. CDS

I visited the CDS office of Perumbavoor Municipality 03/08/2017 Thursday. The CDS chairperson and the accountant were present there. The kudumbashree member met the CDS Chairperson for various reasons. The accountant updated Thrift MIS, Linkage MIS, Asraya MIS (MIS – Monthly Income Statement) correctly. They also explained regarding the NULM.

### 3. Micro Enterprises Unit

#### i. ABC Project (Animal Birth Control)

Street dogs under the area of Perumbavoor Municipality caught by the dog catchers and kept in kennel. Afterwards in veterinary hospital birth control operation done by the veterinary doctor. For the next 3-4 days food and water provided to them. Kudumbashree members are the people who take care of these animals. After 4 days released the dogs from the hospital.

#### ii. Health Club

The kudumbashree member under the Perumbavoor Municipality started a health club. This club consists of 5 members from the kudumbashree and this club focuses on the women's health through conducting Yoga, exercise etc.

### 4. JLG (Join Livelihood Group)

I visited the 'Ponmani' JLG worked under the 13<sup>th</sup> ward of Perumbavoor Municipality. 5 members from the kudumbashree unit formed vegetables in 45 cent land. It includes Green chili, Tapioca, Chinese Potato, Elephant yam, Banana Tree, Colocasia, Amaranth and Ivy gourd. But now there is only Elephant yam, Banana Tree, Tapioca etc.

### 5. Asraya Consumer

The Asraya Consumer Thankkama is live in Pattal, 18<sup>th</sup> ward of Perumbavoor Municipality. Only two members are in this family. A 75 years old female and her 56 years old daughter, a psychiatric patient. Asraya kit is the only way for these day to day lives. The living condition of the house is very pathetic. It is necessary to build a house for them.
