I got married in early age and the experience in my husband home is not so good. I could not proceed my education after my marriage it is a pain to me till now.

I hurt and be a part of Kudumbashree in the year 2002 and it in a great solace forming. I took an effort from an Ayalkkoottam with the help of neighbor women and became the secretary. In the year 2011 I became the CDS chairperson with the support of majority of members. I t was really a turning point in my life. It brings light in my life. I took effort and establish a canteen in panchayath compound and it is a great success. We find out

poor and down trodden people in our locality and included them in Asraya scheme which helped them I provide necessary things. Besides we formed Snehanidhi through which we offered financial assistance in the poor seriously ill patients.

When I assumed the charge of the total number of Ayalkkootams was on 169. Now it is 224. They were some inactive ADS and Ayalkkootam and I took much effort for the improvement of them. And we formed vigilant group in each ward.
