Today is the International Day for the Eradication of Poverty. The United Nations started commemorating this day from 1992 onwards. On 17 October 1987, about 100,000 people gathered at Paris, the capital of France, to take pledge to honor the victims of poverty, hunger, violence and fear. It is for commemorating the event, this day is observed as the International Day for the Eradication of Poverty. “Acting together to achieve social and environmental justice for all” is the theme for International Day for the Eradication of Poverty 2020.

Kudumbashree, the poverty eradication mission of Kerala has been working in this sector for more than the last 20 years and had brought in revolutionary changes in Kerala’s social sector. Let me share the video of the interview given today to Doordarshan Channel regarding the poverty eradication activities of Kudumbashree.
