Yesterday, we explained about the programmes being implemented through Kudumbashree as part of the 100 Day Programmes announced by the Government of Kerala. In addition to that, we have selected some programmes internally to ensure completion within 100 days. These are some key programs being implemented through our various teams. The selected programmes are as follows.

1. Setting up 100 urban vegetable kiosks in all districts.
2. Formation of 250 new Common Interest groups (CIG) in the dairy sector.
3. Enrolment of 3 lakh Kudumbashree members in the new Insurance scheme.
4. Insure 5000 Micro Enterprise (ME) units.
5. 20,000 entrepreneurs (involving in Harithakarmasena and Construction Teams) will be insured.
6. Establish 100 E-Seva Kendras.
7. 100 Canteens will be started in ITIs and units will be identified for the same.
9. Establish 100 Marketing Outlets.
10. Start 10 Pink Cafes.
11. Start livelihood programmes at 150 BUDS Institutions.
12. Disburse loan to 15,000 street vendors through Pradhan Mantri Street vendor’s Atma Nirbhar Nidhi (PMSVANidhi).
13. Sanction loan to 1000 beneficiaries through Credit Linked Subsidy Scheme (CLSS).
14. Issue Building Permits to 13,646 beneficiaries of PMAY (Urban)-LIFE Pro-
When Government started the 100 Day Programme, our team took up the challenge of achieving the priority programmes within the same time frame. Our team members are trying to achieve this challenge amidst many practical difficulties caused by covid-19.

The details of these programmes and it’s progress is available in the link http://kudumbashree.org/pages/876 under the tab ‘Additional 100 Days programme planned by Kudumbashree’.
