SAARANSH

We @ Kudumbashree

Along with programs for the development of neighbourhood group members of Kudumbashree, we also organise relevant classes and trainings to improve the capacity of our programme team. SAARANSH (we @ kudumbashree) is one such festival of competitions for the program staff.

We implemented this idea for the first time during 2018. Saaransh was conducted as a competition between the districts. There were 4 competitions items in the initial event. They were powerpoint presentation of the teams working in State Office, Thematic presentation (20 minutes) to portray the achievements of the districts, exhibition (kiosk) of best practices in the districts, and thematic paper submission.

SAARANSH had turned out to be a great experience for
all, and the participants exhibited enthusiasm and competitiveness. Following that first event, Urban Saaransh was organised for managers working for Pradhan Manthri Awas Yojana (PMAY) and National Urban Livelihoods Mission (NULM) projects. The city mission members were divided into 17 teams and competitions were held among teams, based on the theme related to their area of work. The videos of Urban Saraamsh is available in this link: http://www.kudumbashree.org/videos/23

In 2019, Saraamsh is being organised in two phases. The first one is for our programme planning/monitoring team at Kudumbashree State Mission and the second set of events will be for the districts. The first phase competitions were held at Kudumbashree State Mission on 13 and 14 November 2019. The aim is to give exposure to new sectors, to appreciate the skills and abilities of our staff, to promote their out of the box thinking and to improve their competency. We had included 4 competition in the first phase. They were Policy Making, Problem Solving (Case Study Analysis), Proposal Preparation and Cross Learning Presentation.

Congrats to all those from state office who participated in Saaransh 2019 which turned out to be a huge success, thanks to the perfect coordination by organisers and enthusiastic participation by our staff. Special appreciations to the winners! You may find the list of the winners and their write ups in this link: http://www.kudumbashree.org/pages/595
