Home delivery is being encouraged by almost all shops during this lockdown, which was notified to contain the spread of the second wave of covid-19 pandemic. Supplyco network is depended by most of the common people in Kerala, for purchase of essential goods at nominal rates. Supplyco had enquired, whether Kudumbashree members could be engaged in the task of delivering the essential goods as a part of their home delivery service. We agreed, and now Kudumbashree team had completed the task of taking up the home delivery service from the 95 outlets of Supplyco across the state.

The convergence programme with Supplyco was started during the last week. The details of the outlets where the home delivery system is available in the districts, the contact numbers of the same etc. are available in this link: http://www.supplycokerala.com/Files/N_72.pdf. Customers may place their orders through phone or WhatsApp. Kudumbashree members appointed at each outlets will deliver the goods to the respective households as per the placed orders. Goods weighing upto 20 kilograms could be placed in a single order. In the first...
opportunities were temporarily stopped for many. Through this, a livelihood opportunity is being opened for some of our NHG members. In addition, Kudumbashree was able to start an initiative that is of great help for the public during lockdown. We are planning to extend the home delivery service to more outlets as per the increasing needs.

As the lockdown was notified, the livelihood phase, this service is made available for those living within 10 kilometers from the outlet.

The orders received up to 1 PM will be delivered on the same day itself. The orders received after that would be delivered on the next day morning. Rs 40 is charged for the delivery within 2 kms. Rs 60 is charged for the delivery within 5 kms. Rs 100 is the delivery charge for delivering the goods within 10 kms.
