PRACTICES AND STRATEGIES OF KUDUMBASHREE TO ADDRESS GBV

SOYA THOMAS
KUDUMBASHREE
CONTEXT AND FOCUS

- Shift from economic activity to empowerment process
- Promote Gender equality and women empowerment
- Transformation of all social relations of power that oppress, exploit, or marginalize any set of people.
- Optimal use of the collective in resolving issues pertaining to domestic violence, education, power sharing, ownership of assets
- Women friendly NHG - Prevention of violence and abuse.
FOCUS.....

- Inclusion and focus on men and boys as partners in achieving equality within the family to bring social change.
- Equal opportunity in Politics, Governance, Economic and Educational areas.
- Ensuring more participation in public space
- Create demand to avail all services to the community
- Develop a system to prevent GBV
- Creation and use of convergent platform to address GBV
GENDER SELF LEARNING AS AN EDUCATION PROGRAMME

- Identify self
- NHG as a Learning Group
- Access and control
- Participation & Decision making
- Availability of services and resources

12 to 20% of the above allotted fund to address GBV under WCP

- Kudumbashree to address GBV: 1800
LIMITATIONS...

- Spreading of programme in entire GPs
- Only systematic and continuous follow-up leads to convergent actions
- Setting up the priority of LSGs and Women collectives
- Regular allotment of fund
- Always women collective should act as a pressure group
OUTCOME OF THE STRATEGY ADOPTED

- A platform created for discussing issues of day to day life than discussing on a specific topic.
- Collectives for right based negotiations. (alcoholism, domestic violence, local level interventions and so on)
- Utilization of existing formal spaces/public spaces (Jagratha Samithis, Grama Sabha etc)
- Interventions in the gender issues and identification of women’s rights
- Analyzing the life experience of women by themselves
- Formed a strong network of Resource Persons/ support team at the grass root.
- Convergent actions and interventions.
