Amidst unprecedented floods Kudumbashree women complete the construction of Life Mission House at Thanneermukkom within 53 days

It was on anticipating the huge shortage of labour force in the near future because of national governmental campaign of mass housing that training was extended to women in construction sector so that groups of women contractors could form, via workshops to be taken up in all the districts under the leadership of the District Mission Coordinators. Training is given by tapping the construction workers of women government schemes like PIB, Dhanashree, etc. Accredited agencies like State Women Kendras, District Women Kendras, Marthandam, Thrissur Labour Contracting Society, Palayam/ Kollam Labour Contracting Society, Kerala, State Housing Board, Kerala, Kerala State Construction Workers Co-operative Society, Kerala, Thiruvananthapuram Labour Contracting Society, Kerala, State Housing Board, Kerala, Kerala State Construction Workers Co-operative Society, Kerala, Thiruvananthapuram Labour Contracting Society, Kerala, and other agencies are attending construction training to the identified groups in the respective districts under the leadership of the District Mission Coordinators. Training on construction activities for Kudumbashree women members aims to extend skill training for women in various trades to the construction industry for enhancing the skills of the women in construction related activities such that a sustainable income is generated.
