Most satisfying experience of CDS Chairperson

According to Prof.S Pushkaladevi, President of Vazhoor Grama Panchayath, there is a dynamic change in the role from mere housewife to CDS chairperson and became an indispensable figure in the community. Last three years a handful of programs were arranged by CDS for the welfare of children, women and elderly of panchayath. Now she is a “snehitha” to all needy people. The convergence between panchayath and CDS helped a lot to improve the performance of CDS and panchayath. She succeeded in making CDS office a great channel for communication between Panchayath and public. She is transparent, trust worthy and an industrious person who made Vazhoor CDS NO.1 at district level.

During Covid-19 pandemic, she took the responsibility of managing the community kitchen by offering packets to 280 persons observing green protocol. Vazhoor is a hunger free panchayath for last two years.

The wordings of Panchayath president shows how good CDS functions under the leadership of CDS Chairperson. According to CDS Chairperson Mrs Sindhu Chandran most satisfying experience is that “ in 2018 as part of Declaration of Hunger free panchayath, they have identified 12 poor members from different wards to provide food. Panchayath has entrusted CDS chairperson to give Pothichoru to them everyday. Eventhough everyone told that it is not possible to supply food because of distance .She accepted the challenge and supplying pothichoru to them till date without any vested interest .

General Opinion /Feedback

Team work of CDS members and Panchayath made the success of CDS.
