Kudumbashree Soaring High-
Achievements of Kudumbashree

A pamphlet elaborating major activities of Kudumbashree during the last four and a half years has been prepared. During this period, our team was able to implement many activities, take up new projects and conceptualize novel ideas. We consider it as a proud achievement. A summary of some of the important activities is included in this pamphlet, even though we couldn't elaborate all activities fully.

This brochure is available is Kudumbashree's official website under this link: https://www.kudumbashree.org/pages/159. We welcome you all to read this brochure, which highlights our key activities.
