Kudumbashree's new cut vegetable unit started in Kochi

By launching urban service team, Kochi Corporation has managed to make their mark. To be providing the services of urban livelihood mission across the city, the corporation has launched their urban service team. The services include doctors, electricians, roofers, painters, cooks and other social workers. The team is working in different areas of Kochi. The corporation has established a help desk number 9995608203 to availing the service. To avail the service, the customer can call at the no. 9995608203. The team will provide all the required services in the household.

Kudumbashree's Urban Service team launched at Kochi Corporation

By the result of Pearson urban service test, 170 new urban service team members are recruited at Kochi Corporation. A nine-member team consisting of doctors, nurses and social workers was formed and appointed as the urban service team. The team has been launched by Kudumbashree with the help of Idukki District Administration and Scheduled Tribes Development Department with an aim of enabling the Scheduled Tribes candidates to take up the government service. The team was established for the first time in Kochi. The training programme was conducted during the period of 1 day. The team is also working in different areas of Kochi.
