Hope you all have read about our various interventions among the tribal communities in Making an Impact - 17, Making an Impact - 134, Making an Impact - 135 articles. Providing training classes for competitive exams including PSC is one among the special activities implemented by Kudumbashree for the tribal youth.

This training programme aims at helping them in finding permanent jobs in government where there's vacancy for tribal aspirants. This will help them earn regular income for their families. Through 24 centres in different districts, training is being provided to 936 tribal students. As a part of this special initiative of Kudumbashree, 750 students...
were given 6 months training and they have completed onetime registration in Kerala PSC. 

In our coaching Centres, tests are conducted every month performance of each student is assessed and further trainings are given as per his/ her progress. The training agencies in the districts arrange the study materials for students. Our training centres organise motivational classes before each PSC examination. The current status of the training centres in each districts are as follows.
