### Matching grant & Vulnerability Reduction fund

Apart from linkage loans, Kudumbashree is providing various assistance schemes to NHGs such as matching grant and Vulnerability reduction fund. Matching grant is an incentive scheme for NHGs that establish bank linkage by qualifying in the grading system. In the CDS, a matching grant of Rs.772327/- was distributed to 212 NHGs. Vulnerability Reduction Fund (VRF) is provided to address vulnerabilities like food security, health security and to meet the needs of the vulnerable persons in the village. In the CDS, Rs.7375000/- was provided to 42 NHGs as VRF.

### MICRO ENTERPRISES

Kudumbashree provides skill development training to women, motivating them to take up micro enterprises for livelihood. The Kizhuvilam CDS is also actively engaged in Micro enterprises and Marketing initiatives. Some of the very successful MEs include branded rice, flour mill, food processing unit, tailoring units, stationary shops, soap and lotion making, catering unit, fruit shop, umbrella making, juice shop, electronics and electrical repairing unit, kudumbashree café, painting unit, beauty parlour etc. One of the successful
unit is Jeevamritham kuttari unit which sells the rice in the brand name ananthapuri rice. The unit collects paddy from the local co-operatives and make the rice to sell.

**Harithakarma Sena:** The Haritha Karma Sena collects non-biodegradable waste from houses and establishments to shredding units for recycling. Harithakarma sena is working successfully in the CDS. In the initial days, it was difficult for them to get the user fee on time. The interventions from CDS chairperson helped them to get the user fee on time and thereby a steady income as well.

**Construction team:** A women construction team is working in the CDS. They got the work order for constructing house under LIFE scheme.

**Snehitha calling bell** : It is an innovative program to support the people who are living lone without any support. The CDS has conducted various programms such as meetings and tour programs for the support recepients
Special Activities

- The Kizhuvilam panchayat was the first LSGI in Kerala to install CCTV camera surveillance in all the wards collaboration with policestations. Various NHGs and ADS had contributed funds for this initiative. ADS committees have accumulated funds to install the CCTV and handed over it to the Panchayat president.

- The CDS has organised a number of ward level awareness classes for NHG members on various issues/topics such as life style diseases, plastic free area and training by fire force team etc.

- The ADSs are giving awards to children who complete 10th and 12th standard exams in high grades annually.

- Pulimood ADS has given a TV for a child to attend in online classes. Mudapuram ADS has also given a mobile phone to a child for the same purpose.

Most Satisfying Experience

The chairperson could help an elderly woman in distress using various services of Kudumbashree. The elderly lady was abandoned by her children and she was living in
distress. None of her two children were taking care of their mother. The chairperson contacted the community counselor and snehitha staff for help. They could further proceed and got the order that asks the children to take care of their mother. So she could live in the same house peacefully

Activities durid Flood and Covid 19 period

- Various relief activities were taken up by the CDS during the flood and covid 19. In the lock down period the NHG members were the volunteers to distribute food to the needy. The panchayat has started the community kitchen later, and the Kudumbashree catering unit was in charge of food preparation. The vegetables needed for everyday cooking was provided by the joint liability groups in the CDS.
- Budget hotel is inaugurated in the panchayat and functioning successfully.
- Four volunteers from the CDS did the Food packing in the maveli store throughout the period
- Under the ARISE scheme, electronical and electrical repire unit is established

- Six tailoring units in the CDS has started cotton mask production. The ME groups also started sanitiser and lotion making in this period.
- **Chief Ministers Helping Hand loan scheme**: In this scheme, Kudumbashree NHGs will be given interest free loans as per demand. In the CDS, Rs.2,29,70,000/- was distributed among the 221 NHGs in this scheme.
- **Vidhyasree Scheme**: It supports member families to avail laptops to ensure online education to their children. The CDS has received 503 applications for Vidhyasree chitti scheme.

The CDS has contributed Rs.1,70,607/- rupees to CMDRF after the flood. The CDS has supported district mission and the panchayat authorities in various relief activities during flood. NHG and CDS members has supported families in cleaning their houses after the
massive flood in Pathanamthitta. Three relief camps were functioning in the panchayat at that time. The CDS contributed vegetables, dresses and other relief materials to camps. Counselling service were provided by community counselors for the people who needed it.

**Best practises of CDS**

- The CDS has collaborated with external agencies to provide training and support to NHG members to start income generation activities. The trainings are provided for value added products making, soap and lotion making, paper bag making etc. Now the enterprises are successfully functioning.

**General Feedback and learning points of CDS Chairperson**

Smt. Sheeja joined Kudumbashree in the year 2000. She was not active in any social activities. She became an ADS member, CDS Vice chairperson in previous years. It helped her to get a lot of practical knowledge in various fields which was not familiar to her earlier. She says that the experiences as a CDS chairperson helps her to understand different situations and act accordingly. It helps her to view things more deeply and she tries to understand the multiple dimensions of every problem she faces.

She feels proud of the fact that now all the NHGs and ME groups are active in the CDS.

**Conclusion**

The CDS was able to carry out all the activities successfully. They also initiated a lot of NHG and ADS level activities that could help not only the members but also the community as a whole.
