Focus Areas

Gram Panchayat Poverty Reduction Plan (GP2RP) Vulnerability Reduction Plan (VRP) and Balasabha will remain the focus area of the Project activities for the coming year.

Sustainable Development Goals and Literacy Campaign will be the new initiatives undertaken in the Partner States.
GP2RP

• A comprehensive plan prepared by the SHG federations for the holistic development of their villages

• It has five components namely Social Inclusion, Livelihood, Entitlement, Basic Infrastructure and Resource Development

• SHG Federation presents the GP2RP to the Gram Panchayat, which then tries to integrate into the GPDP Plan of the Panchayat.

• Resources are allocated from XIV Finance Commission, NRLM, MGNREGS, SBM and other schemes, and approved in the Gram Sabha.
Vulnerability Reduction Plan

• A plan document prepared by the Village Organisations which contains the categorical details of vulnerable population in their village

• The plan envisages to find out credit access, financial contribution and other required facilities from various sources to address the vulnerabilities of the destitute.
Balasabha

• Balasabha is a context specific programme designed for the holistic development of children.
• Structured collectives of children are formed as learning groups by the VOs with an objective of fostering self-evaluation, participation and enquiry.
• Major stakeholders of the programme include VOs, GPCC and Balasabha Resource Persons.
A draft implementation plan for SDG roll out has been prepared for piloting the three parameters of SDG through Convergence project.

The goal selected for piloting is Good Health and Well-being. The parameters selected are balanced diet, menstrual health, healthy IMR & MMR and prevention of substance abuse.

Each parameters are activity centric and aims at bringing a behavioral change among the community.
Literacy Campaign

• Initiative to address Addressing social inequalities and enhance Livelihood Opportunities in the Partner States
• Contacting and Meeting with the available resources at the State Level to aid us with the campaign
  • Bharat Gyan Vigyan Samiti
  • State Resource Renters
  • District Resource Center
• Contacting Master Trainers
• Collecting available primers and customisation of the same
• Meeting with Panchayat to discuss and find the available resources
• Planning and preparing a campaign based on the State context
GPDP and Poverty Reduction Plans

- Provide technical support for preparing Gram Panchayat Development Plans (GPDP) at all the NRLM resource blocks of the partner states.

- Provide technical support to all the intensive blocks to prepare Poverty Reduction Plan using the existing LRGs and Internal Mentors of existing blocks. This will be achieved by:
  - preparation of handbook on Poverty Reduction Plan (PRP)
  - training the existing LRGs and I-mentors using the handbook and placing them at the intensive blocks.
Rashtriya Gram Swaraj Abhiyan (RGSA)

RGSA focusses on building the capabilities of the PRIs to deliver the Sustainable Development Goals. It seeks to enhance capabilities of the Panchayat for inclusive local governance with focus on optimum utilisation of available resources and convergence with other schemes and departments to address various developmental issues. Kudumbashree can provide support to RGSA in:

- Capacity Building of PRIs and SHG network.
- Strengthening Gram Sabhas as a forum of local governance through people’s participation.
- Facilitate the SHG network in the preparation of comprehensive plan for the local development; which can be further integrated with GPDP plans.
- Formation of institutional platforms for addressing the developmental needs at the Gram Panchayat level.
- Identification of right beneficiaries for various livelihood activities.
