Kudumbashree bags National Award again!

Kudumbashree has bagged the National Award for efficiently implementing the National Urban Livelihoods Mission (NULM) programme in Kerala (assessment year 2019-20). We got letter confirming the award from Govt of India today. Kudumbashree has received this Award constituted by the Ministry of Housing and Urban Affairs, Government of India for the third consecutive year. During 2017-18, Kudumbashree had secured third prize and during 2018-19, Kudumbashree had bagged the second prize. Now, Kudumbashree has secured the third prize again. Now, our team has been able to make a hat trick achievement. We are proud that we could steadily sustain the best performance at the national level.

The special feature of the Award is that the prize money is given as additional financial allocation for the project implementation. During the last two years, we had additionally received Rs 6 crores and Rs 9 crores respectively as we had bagged the awards. We have received the intimation from the Ministry of Housing and Urban Affairs, Government of India that we would additionally receive Rs 6 crores as we had secured the award this year.

During the last four years, Kudumbashree had bagged as many awards in the national level in addition to the award received for the NULM Programme. During this period, Kudumbashree had secured more than 10 National Awards. National Award for the excellent implementation of Deen Dayal Upadhyay Grameen Kaushalya Yojana (DDUGKY) skill training programme for three consecutive years, Best Performance Award constituted by the National Bank for Agriculture and Rural Development (NABARD) for the efficient implementation of the bank linkage of the NHGs, the Best Practice Award constituted by HUDCO for completing the construction of the houses of Pradhan
Manthri Awas Yojana - Urban (PMAY-U) - LIFE through Kudumbashree Women Construction Groups are a few among them.

Heartfelt appreciation to the Kudumbashree team and others who are showcasing best performances in all sectors. Hope all of you will continue the work with this sheer enthusiasm.
