Know our achievements and future plans

Hope you all will be interested to know about the changes that Kudumbashree, the poverty eradication mission of Kerala had created in Kerala society. We had been explaining about the various programmes of Kudumbashree through more than 250 FB articles. We have prepared now small booklets highlighting summary of our achievements.

First book is about achievements of Kudumbashree during the financial year 2019-20. Second book lists major developments Kudumbashree had achieved during the last four years. Along with that we have also published booklet on various interventions Kudumbashree had done during the crisis time of covid-19. Further, our aims/goals for 2020-21 financial year is also prepared.

Shri. A.C Moideen, Minister, Local Self Government Department, Government of Kerala launched these books at Kudumbashree Governing Body meeting held yesterday (25 June 2020). We had
uploaded these books in Kudumbashree website for you all to read. Hope you all will read the books from the link given below and inform your suggestions.
