## BEST CDS DOCUMENTATION

CDS CHAIRPERSON - Sujitha Jayaprakash

1. Special activities: Thrithala CDS was able to achieve 100% linkage through various interventions including Loan Mela and financial literacy campaigns. Numerous canteens and tailoring units have been formed over the years which could provide as sustainable source of income to the members.
2. Efforts during COVID/ Flood: Out of the 17 wards 3 were fully affected and 6 were partially affected by flood. CDS along with the panchayath actively involved in the cleaning activities during flood, medicines provided for flood affected family, flood kit was also provided. Flood affected JLGs were given flood incentive, and also availed crop insurance with the help of Krishibhavan. In addition, that during lockdown Kudumbashree ME units more involved in making hand wash and masks. Community Kitchen was very much appreciated by the public as they were able cater to 500 individuals per day. 145 NHGs were provided CMHHS loan which was also achieved through loan Mela which followed Covid19 protocol.

## BEST CDS DOCUMENTATION

3. Best practices of CDS: (1) flood activities- support to all flood affected areas in the panchayath, (2) DFK activities which included medical camp, medicine distribution in association with Neethi Stores, monthly food fit distribution, Dress distribution in connection with Onam. (3) Daily market in association with the Krishibhavan. (4) Janakeeya hotel , (5) Online class for 34 BRC students and also constant counselling and support for both students and parents by Snehita (6) DDUGKY mobilization and job mela.
4. Most satisfying experience of CDS chairperson: (1) formation of NHG – Chairperson was able to facilitate formation of new NHGs and reviving the defunct NHGs. (2) The first Covid-19 Break the chain awareness program in Palakkad district was conducted by Thrithala CDS, setting an example to other CDS.
5. General feedback/ comments/ opinion/ observation from CDS chairperson: (1) In order to organize activities, a better leadership and knowledge regarding all Kudumbashree activities is essential. NHG members and other office bearers tend to lack volunteerism these days which leads to delay and reduced quality in project implementation. (2) Efforts needs to be made in team building of like-minded individuals to ensure the smooth functioning of Kudumbashree at all levels.
6. Learning points and conclusion: (1)The CDS chairperson mentioned that they couldn't achieve all the activities assigned by the Kudumbashree State mission properly and given in time schedule. She ensured that efforts will be made by her and other CDS members to rectify the issue. (2) There are no special tribal interventions in the CDS .
