During the COVID 19 situation, CDS took special care to spread awareness among the public. CDS started a whatsapp group and passed information given by the State mission to the NHGs. CDS started stitching mask and producing sanitizers. CDS started community kitchen and provides food for needy members. They also conducted a telephonic survey of DFK members of the CDS and arranged food, medicines etc. With the help of selected RPs, CDS take special care to spread awareness to the public regarding the wellbeing of elderly people. Apart from the message to the elderly people, the focus of the note was to effectively implement **Break the Chain** campaign and social distancing. CDS also conducts special online programmes for Balasabha members.

Flood related activities

Kudumbashree members volunteered to prepare food and for cleaning of the relief camps. Food kit and dress materials were donated. CDS was also been able to be a part of the

Nava Kerala Lottery. The NHG members worked as a group and undertook the chlorination process in the entire ward in the Panchayat.

Learning points

In the words of CDS Chairperson; “I am very much happy to be the CDS chairperson. This is my first time as a CDS chairperson. I was a normal woman and also scared to talk against corruption. But now I am not afraid to share my opinion and fight against the corruption. I am here because of Kudumbashree. It helps in showcasing my talents. Kudumbashree has provided me with many opportunities to support Kudumbashree programmes such as DDU GKY, DFK, Snehitha, JLGs, Construction ME groups etc. and also works for women’s betterment. Kudumbashree has taught me about all the duties and

rights of women. I came to know things in a better way with better clarity”. This helped me understand the role of Kudumbashree in empowering women.

Most satisfying moment is CDS pooled finance from NHG members and provided medicines and financial support for the poor.

Feedback

- Kudumbashree has given proper support to needy people during the Flood and Covid -19 Lock down period.
- Project implementation delays affects the CDS’ activities.
